Company Secretary and Compliance Officer ICSI membership no.: A62542

Execution of Memorandum of Understanding (MoU) between Government of Tamil Nadu and Kaynes Circuits India Private Limited, a wholly owned subsidiary of Kaynes Technology India Limited.

We wish to inform you that Kaynes Circuits India Private Limited, a wholly owned subsidiary of Kaynes Technology India Limited, has entered into a non-binding Memorandum of Understanding (MoU) on 04<sup>th</sup> August 2025 with Government of Tamil Nadu for investment promotion and facilitation.

Under the MoU, Kaynes Circuits India Private Limited proposes to invest approximately ₹4,995 crores over a period of 6 years for the establishment of manufacturing facilities, including greenfield projects and capacity expansions within Tamil Nadu.

The MoU is intended to explore the financial incentives and industrial policies available under the Government of Tamil Nadu, as well as any structured assistance packages that may support the proposed investment through subsidies and other financial benefits.

The Government of Tamil Nadu, through Guidance, has agreed to provide necessary facilitation and support, including assistance with infrastructure and regulatory clearances, in line with applicable laws and policies.

This MoU represents a statement of mutual intent and does not constitute a legally binding obligation on either party.

## **About Kaynes Circuits India Private Limited**
